Tui Room Message

The month of June started with a high note as welcomed our four new babies: Annie, Mosese, Mareth and Yahya. Later in the month, we did Matariki activities such as star painting, singing, and collecting stuff from nature. Finally, we had a Matariki celebration at our Centre where all our families participated, and their babies enjoyed dancing especially to Matariki songs and Matariki disco. We also thank the parents for their love and support. God bless us all.

Kiwi Room Message

Kia Ora Whānau, June was a vibrant and eventful month in our Kiwi room. We celebrated Matariki with storytelling, star crafts, and learning about the significance of the Matariki stars, fostering a deeper connection with our cultural heritage. Our excursion to the Harakeke patch was a highlight, where children enjoyed hands-on weaving activities and learned about the traditional uses of Harakeke. We warmly welcomed several new children to our Kiwi room and celebrated the transition of our older children to the Pukeko room, marking an exciting step in their educational journey. With mixed emotions, we also bid farewell to one of our beloved staff members and wish her all the best in her future endeavours. Looking ahead, we have Pyjamas Day on 19th July, promising a cozy and delightful day, and a variety of fun activities planned for the two-week holiday. As winter sets in, please ensure your children come dressed in warm clothing, label all their belongings clearly, and keep them at home if they are feeling unwell to help prevent the spread of illnesses. Thank you for your continued support and involvement. Ngā mihi nui, The Kiwi Team.

Pukeko Room Message

“Karanga mai ra e Matariki”. “We call on Matariki”. This month is the month of Matariki and we were excited to celebrate Matariki, the Māori New Year. June has been an exciting and dynamic month in Pukeko Room. We celebrated Samoan Language Week and Matariki. These celebrations gave us the opportunity to acknowledge our Little Feet Families and Tamariki who are proudly from these cultures. Learning new words, phrases, songs, stories and traditions helped us to learn about different cultures, share experiences and strengthen our bonds. For Matariki, students constructed kites, made colourful stars, learnt songs (waiata), Matariki crafts, storytelling, did performances and also had a field trip. Moreover, all Teachers of the Pukeko room participated in workshops to upskill their knowledge. The school holidays are just around the corner, and we are planning great holiday fun activities. Finally, thank you parents and guardians for your continued support and for being an integral part of our Pukeko Room. Stay happy and blessed always.
