## What are we learning?

(1) To be independent (2) Self-Hygiene (3) Self Identification through photo name tags (4) Building good behaviours (5) Good relationships (6) Respecting one another, sharing, caring, and taking turn (7) Knowing our classroom rules through flash cards like using walking feet inside, no pushing, no fighting, do not sit on the table, sitting nicely during mat time, Tidy up after play and no throwing toys.

## Reminders

- Bring blankets, spare clothes, water bottle, hat, and sunblock (if doesn't want to use centre's sunblock.), Nappies and wipes (if required), and pullup nappies for child's toilet training.
- Provide snacks for morning tea and afternoon tea. The centre only provided lunch. Please label all your child's belongings.
- Keep your child home if they are unwell for the safety of everyone and see the doctor. Please ask the medical clearance from the doctor and bring it with your child when he/she comes back to make sure he/she is okay to stay in the Centre.
- Please for the safety of your child, we are humbly asked all parents to encourage your child/children NOT TO RUN inside the centre building and outside carpark.

## *Tui Room Message*

Kia Ora! Greeting to all. The month of May was full of events as we celebrated Mother's Day on the second week of the month whereby our babies room made cards and some artwork. Then we had Road Safety week celebration where the police officers were invited to share and demonstrate road safety tips with the Tamariki. The most awaited week was Samoan Language Week which we celebrated, and it was a weeklong celebration. The kids did activities such as Lei and Samoan Fale. There was a tremendous support from the parents as they wore the Samoan Poletasi [Traditional dress] together with the children and there was a special Samoan Dance from them. We give our heartfelt thanks to all our lovely parents for their support, and we are looking forward to Matariki Celebration in June. God Bless us all.

## *Kiwi Room Message*

Kia Ora! we have had an eventful and productive month filled with celebrations, new beginnings, and community engagement. Here are some highlights from our room. We are thrilled to welcome back our dedicated teachers from their well-deserved holidays. Their refreshed energy and enthusiasm are already making a positive impact on our Kiwi room activities. In the same manner, Kiwi room is excited to introduce new staff members to our room. Their expertise and fresh perspectives are a wonderful addition to our team, and we look forward to the enriching experiences they will bring to our children. Our Mother's Day celebration was a heartfelt success! The children enjoyed creating handmade cards and gifts, and it was lovely to see so many mothers join us for the special event. Thank you for making it memorable. On Pink T-Shirt Day, our room raised \$85 in donations! Thank you to everyone who contributed. This event was a great opportunity to teach the children about kindness and standing up against bullying. We also had a successful visit from the police team who taught the children important road safety rules. The interactive session was engaging and educational, leaving the children more aware of how to stay safe. End of May, we celebrated Samoan Language Week which was a wonderful opportunity for the children to learn about Samoan culture and language through stories, songs, and activities. We encourage parents to share any cultural artifacts or knowledge they have to enrich our learning experience. Thank you so much for all our parents support.

## *Pukeko Room Message*

"Tautua I le alofa, manuia le lumana'i – Serve in love for a blessed future". To end the month of May we finished with Samoan Language Week and I think this year's theme is fitting to start of this newsletter for the Pukeko Room! Tamariki performed and put on a show for their families, teachers and peers. We thank everyone for their participation in our Samoan Language Programme. Fa'afetai lava. We welcome the new tamariki to our room, and wish the very best to those who have graduated. As mentioned in the last newsletter we started our parent-teacher conferences in the end of April and they rolled into the beginning of May. We just want to say thank you to all of our parents who made the effort to come and see us during these times. Working together to help YOUR children's education is important to US. When the relationships are strong, the learning will be strong. So thank you! We celebrated Mother's Day, and Pink T-shirt Day. For pink tshirt day we raised \$115.00 as a centre! How awesome! We also celebrated NZ Road Safety Week. It has been a busy month for us, hasn't it? Haha NZ road safety week gave us the chance to teach children about safety when using the pedestrian crossing. Groups of Tamariki walked up to the local pedestrian crossing to practice their skills of "stopping, looking, listening and thinking". This learning has also been reinforced by our centre police visit. Tamariki enjoyed this important learning and show confidence in knowing these skills. For June, we will be preparing for Matariki, until then ma te wa.
